SIGNATURE KEYNOTE

Stick the Landing

Anyone Can Jump. Few Know How to Finish.

In business and leadership, you aren't measured by how high you jump. You're measured by whether you stick the landing. Drawing on a decade as Captain of the Harlem Globetrotters, going one-on-one as Michael Jordan's body double at the United Center and helping scale a startup to a 2.2 billion valuation, Kevin delivers a high-energy keynote on execution under pressure.

The Jump

Making bold decisions before conditions are perfect.

The Flight

Staying prepared during the unseen grind.

The Landing

Delivering when the stakes are highest.

Best for opening or closing keynotes, sales kickoffs, leadership summits, internal audit, finance and operations conferences, and awards ceremonies. 45 to 75 minutes.
